I went to a slumber party with my sisters at my aunt's house. I had fun helping to clean up.

Looks like	Feels Like	I Can:
	<p>your stomach is going to explode. Sweaty and angry.</p>	<p>Do something that I like. Drink water. Breathe 3 big breaths.</p>
	<p>like your hands were. Water and like a rage was building up.</p>	<p>Sit somewhere else go away to the carpet. Tell the teachers so I don't go to a 5</p>
	<p>Starting to get sweaty, Starting to get troubled.</p>	<p>Try to calm down, take a break from work.</p>
	<p>Cool, ready for any work, and calm.</p>	<p>don't take the work too seriously.</p>
	<p>Feels like you just won 100 rounds of video games.</p>	<p>Focus on work, concentrate.</p>
